Dear Diary,

Last weekend I wrote about Joey, that cute boy in my chemistry class. Well, guess what, he just called me! I was so shy, but he was very sweet, and we talked for an hour. He asked me to the dance next Friday, and I said yes! I am so excited I could just scream!

This is the first time I have been to a dance. Now I need to tell my parents and ask them if they will help me buy a dress, shoes, and a flower for Joey's lapel. I have some money saved up from working at the ice cream shop, but I don't think it is enough. I hope they will say yes.

And I need to call my best friend Amy. Her boyfriend is Joey's good friend. Maybe we can go on a double date to the dance. There's just so much to do, and I don't know where to start!

I guess I'll start by saying good night to you, Diary. I promise to tell you all the interesting details from the dance!

Love,
Kathy
